Londrina/PR, Brazil
+55 (43) 99909 8564
randymz10@gmail.com

EXPERIENCE

TWRT, São Paulo/SP (Remote): *Jr Mendix Developer*
Jul 2023 - Currently

- Integrate the Mendix low-code platform with existing corporate solutions;
- Communicate with the development team and business in real time, adopting a test and learn approach throughout the application lifecycle;
- Work closely with cross-functional teams using agile principles such as SCRUM;
- Collaborate with business partners throughout the application development lifecycle to prototype;
- Help business developers create and maintain quality and consistent applications using their existing programming experience to share best practices;
- Work with analysts, user experience designers and peer developers to create visually appealing multichannel experiences;
- Increase the resources of business stakeholders, sharing best development practices;
- Support technical sales of the Mendix platform (work with salespeople to support personalized demonstrations/proofs of concept to acquire new customers).

Skills: SCSS, JS, SQL, Git, Mendix, SCRUM.

TATA Consultancy Services, Londrina/PR: *Intern-Trainee*
Jun 2022 - Jul 2023

- Assist in software development;
- Monitor and participate in the project requirements gathering;
- Assist in application support;
- Support the execution of tests in applications.

Skills: Java, Springboot, HTML, CSS, JS, SQL, Git, Mendix, SCRUM.
